MEMORANDUM FOR:

FROM: Director of Central Intelligence

SUBJECT: Letter of Commendation and Appreciation

I want to commend you for the contributions you made to the outstanding work done by the Beirut Casualty Task Force in the aftermath of the Embassy bombing on 18 April 1983. Your deeds of compassion and service will live on in the hearts of the relatives, friends and fellow-workers of the victims. I know that the expressions of gratitude from the families reached each of you in different ways and what was said to one was meant for all. In the same manner, I want to convey to you the appreciation of a grateful Agency. What you have done typifies that special meaning involved in being members of this great organization.
